Permanent Address:
1 Changnan Road
TongRunJiaYuan #166
Shanghai, China 201612

- OBJECTIVE:** To obtain valuable industry experience as a summer intern for a major corporation focusing on product design and design process.
- EDUCATION:** Stanford University, Stanford, CA
Anticipated Bachelor of Science, Product Design June 2007
Coursework: Mechanical Engineering, Art, Photography, Computer Science
- EMPLOYMENT:** Stanford Internet Solutions – Lead Developer
Dec 2004 - Current Created and maintained small scale to corporate level web sites and applications.
- LEADERSHIP:** WebWorks – Vice President, Tech Director
Sept 2004 - Current Directed all technical operations of this web design workshop series to allow newcomers to easily pickup the basics of HTML and CSS design.
- PRODUCTS:** The Lazy Tote - Prototyped and manufactured unique laundry hamper featuring collapsible aluminum tube frame, durable pack clothe sewn body, mobile wheeled base with handle, 3 part cam lock locking mechanism and gunmetal powder coating with black soft anodizing. <http://lazytote.harryzhong.com>.
Invisi-Desk – Prototyped a clear dry erase tool to ease mistake anxiety for elementary school kids while practicing writing essays, math and cursive. Features clear plastic body, hollow interior for tracing over paper, inclined surface for tracing over books. Design derived from direct observation of Ohlone Elmentary school students. <http://invisidesk.harryzhong.com> .
Pepsi Day & Night: Prototyped a potential new soft drink category for Pepsi. Drink itself encourages sleeping in addition to staying awake, promoting the idea of wellness. Bottle follows Yin Yang motif in shape and allows user to customize selection by snapping Days or Nights together. <http://pepsidaynight.harryzhong.com>.
- DESIGN SKILLS:**
Traditional Mediums Rapid Modeling/Prototyping, Sketch / Life Drawing, Animation, Chinese Watercolor, Pastel, Film Photography.
Digital Mediums 3D Modeling, Graphic Design, Digital Photography, Web Interface/Application
